proudly representing

PERSONALITY OUR TERROIR

It is elaborated with Garnacha Tintorera
Vineyards of more than 50 years old and a
traditional elaboration combined with the
last elaboration techniques.
This wine makes the malolactic fermentation
in brand new French oak casks.
The total time in the oak casks is 12 months.
This wine is very aromatic which reminds to
red berries, aromas of balsamic toasted and
roasted, vanilla, smoked marked ends. The
tannins are well assembled. The wood and
the acidity give a long and persistent roundness.
Best served at 15/17°C
